

## Value Statement

### **Integrity**

in all our dealings with customers, vendors, our people and communities.

### **Passion**

to foster a fun and exciting workplace where learning and engaging ensures an energized, dynamic and driven team.

### **Excellence**

in all things in order to promote a performance culture that builds efficiency, quality, profitability, commitment and unsurpassed customer service.

### **Leadership**

beyond the standards of our industry to grow into a world-class innovative and focused organization ensuring accountability throughout.

### **Communication**

is the bond that holds all the above values together – it is the only key which can unlock the potential created by the vision.
